PRINCIPAL’S MESSAGE

It’s hard to believe that we are in our final month of school here at Minesing, with so much left to learn and to do! This month we look fondly back on our many field trips to places near and far – Wye Marsh, Ste. Marie Among the Hurons, Camp Kitchi, Stratford, and of course, Quebec! We also look forward to our Track and Field Days, Primary Play Day, Minesing Entertainment and Jump Rope for Heart. All are invited to our first annual ‘Mustangs’ Summer Celebration’ on June 14th, which is a great way to come together as a community prior to the year end.

As the end of the school year approaches, I would like to sincerely thank our students, parents, guardians and staff for making this past year productive, successful and fun! A special thanks is due to our dedicated School Council and to the many parent volunteers who have pitched into help serve lunches, support learning in classrooms, accompany students on trips, organize school events, and fundraise to support our students. We certainly couldn’t do it without you! Please take some time this summer to relax, rejuvenate and reflect on what makes Minesing Central such a wonderful place. Have a safe and enjoyable summer!

Yours truly,
Sonia Kadela

SCHOOL COUNCIL’S MESSAGE

As the end of the school year approaches, we want to take a moment to recognize the efforts and work of the wonderful volunteers at Minesing Central P.S. To the grade eight fundraising team leaders, thank you for all you have done this year to coordinate the fundraising for Minesing’s grade eight trip to Quebec City. Thank you for your hard work and dedication to the students of Minesing.

Thank you to all the volunteers who have offered their time to help run a successful lunch program this year and an extra thanks to Laura-Lea Vogel for all your work and co-ordination of this program. Our lunch program is one of our biggest fundraisers and it would not be possible without these wonderful people.

This year our school council had the privilege of working alongside Mr. Dunlop and Mrs. Collingbourne, and we

would like to thank you both for your time, your efforts and dedication to council. Our council would not be successful without the continued guidance and effort of Ms. Kadela. Thank you for your continuous support and encouragement. Thank you also to Mrs. Noble and Mrs. Kauer, for all of your administrative and organizational support! To the council members that so tirelessly volunteer, we thank you! Each of you bring something special and it has been a pleasure of ours to work alongside such an engaged and devoted group of parents.

Thank you also to our wonderful volunteer coordinators, Sarah Ridge and Kayleigh Neddeau, for all your support and coordination of volunteers.

Lastly, we are appreciative to be part of such an involved school community and thank each and every parent who has offered their time to volunteer at various school events. Don't forget about the Mustang Summer Celebration held at the school on June 14th from 5pm until 7pm. Have a wonderful and enjoyable summer holiday!!!

See you in September.

Jen Fraser and Sara van Kolfschoten

MINESING SCHOOL COUNCIL

Please join us on Wednesday, September 12th at 6:30 p.m. to discuss the Minesing Pizza Q for Meet the Teacher, fundraising and to get a glimpse of School Council issues.

We welcome all parents and hope you will come out to see what's happening at Minesing.

We would like to thank the parents and the council for their energy, support and time on behalf of our students and staff.

Our first official School Council meeting is Wednesday, October 10th at 6:30 p.m. in the Library.

MINESING SCHOOL COUNCIL ELECTION 2018-19

Parents/guardians of a student at Minesing Central Public School can vote in a school council election by becoming a parent member of the school council. Parents can nominate themselves to become a parent member on council by the nomination form, which can be picked up at the office or found on our school website in the School Council section, and returning it to Minesing by September 7th, 2018.

The Minesing Central School Council will be having an election to elect voting members, as well as a chair or co-chairs, a secretary and a treasurer from the parent members. The voting will take place on Wednesday, September 12th, 2018 during our first meeting at 6:30 at Minesing Central P.S. It is strongly suggested that a parent running for the position of

chair or co-chair has been on council for a year to two years.

If a School Council member wishes to run for one of the positions above, please email the Principal at skadela@scdsb.on.ca with a brief biography no later than September 7th (or drop into the office).

Names and very brief biographies of all interested candidates will be emailed to the current school council members by September 10th, 2018. Council terms for elected and appointed positions are for a one-year term. Members can seek re-election each subsequent year and the executive positions may be limited by individual school council constitutions. Elections for school council shall be conducted by secret ballot (SCDSB FORM A7200 – 2).

Neither proxy nor absentee voting is permitted. Voters must be present at the school on the election day, during the pre-set hours and must vote in person.

Parents/guardians of a student enrolled at the school are eligible to run as parent representatives (except when specifically prohibited in Policy 4310). Board employees are not eligible to run as a parent representative at their child's school if they are employed at that school. If they are employed elsewhere in the Board, they may run as a parent representative providing they inform the parent community of that employment prior to the election. Should you have any further questions you may contact the current School Council Co-Chairs, Sara van Kolfschoten or Jennifer Fraser at minesingparentcouncil@gmail.com and/or Sonia Kadela, Principal.

MATH CORNER

Summer weather is upon us and soon all students will be thinking less about school and more about the exciting times they will have during their vacation. Even though it is warm outside there are still many opportunities to practice and learn math. It is virtually EVERYWHERE! Here are some tips on keeping math alive during the summer months:

1. Bring some dice with you wherever you go. Try playing a game where the first person to 50 wins or start at 50 and subtract.

- Gardening is a good way to talk about fractions.
- Start a collection of items and sort them in different ways.
- Consider researching patterns in nature.
- Work together on the cost/distance/packing needed for a road trip.
- Try a mathematical scavenger hunt.

We look forward to hearing about all your math adventures in September.

Can you find the math in the pictures below?

KINDERGARTEN THIS FALL

Year 2 Kindergarten students will begin school on Tuesday, September 4th, 2018 and will attend continuously from this time. All Year 1

Kindergarten students will begin school on Thursday, September 6th, 2018 and will attend continuously from this time.

GIFTED SCREENING PROCESS

Students who display an advanced degree of general intellectual ability require additional program support in order to reach their educational potential. This support may be through enhancing the curriculum, differentiated instruction and through providing program modifications. This type

of programming is important to engage, motivate and challenge students who are identified as gifted in either the regular classroom or in gifted classroom placements.

Parents/Guardians of a student who will be in or above Grade 3 in the next school year, who wish to nominate their child for gifted screening are asked to contact Mrs. McColm before the end of June. Students may be nominated by either a teacher or parent/guardian. A letter examining the gifted screening process in greater detail will be sent to parents/guardians of students in Grade 3 in September. Parents/Guardians will still have the opportunity for nominating their child in September and October.

If you require further information about the gifted screening process, please contact the school.

BRADFORD GREENHOUSE FUNDRAISER

We are fortunate that Bradford Greenhouse has again allowed us to participate in their school fundraiser. You just have to tell the cashier, **prior to inputting the sale**, that you want your sale to benefit Minesing

School. Sales from April 15- October 15, 2018 will benefit by way of a gift card for the purchase of Bradford Greenhouse products for school improvements and special events. Thank you for your support.

UPDATED CRIMINAL RECORD CHECKS - VOLUNTEER

We appreciate the commitment of all who volunteer at our school. In an effort to ensure the safety and well-being of our students, and in accordance with the Education Act, the SCDSB requires a complete and up-to-date Criminal Record Check Vulnerable Sector Screening (CRC-VSS) for all volunteers across the system. If you are a current, approved volunteer and your CRC-VSS is more than five years old, you will be receiving a notification this month indicating that you are required to submit a new CRC-VSS. If you wish to continue as a SCDSB volunteer, please complete the following steps:

- Contact the school principal to obtain a CRC-VSS request letter.

2. Bring your CRC-VSS request letter to your local police detachment.
3. Submit your original and complete CRC-VSS to the school office for review by Oct. 31, 2018.

If you are a current SCDSB employee volunteering in the system, you are required to submit an updated CRC-VSS to the school where you will be volunteering. If you have completed a CRC-VSS within the past six months of the start of the school year for another organization, you may submit that original CRC-VSS for review. If you have questions, please contact the school.
