

Minesing Parent Council is excited to repeat our fundraising initiative with Nicholyn Farms. Attached to this letter you will find a copy of the Nicholyn Farms meat order form. This fall order includes some new choices along with many favourites. You will notice that the products on the form are all at regular store prices and are items that you can purchase at Nicholyn Farms's retail location. Nicholyn Farms has generously offered to give 25% of the sales generated from this fundraiser directly back to our school. These funds will be used toward council initiatives for your children and the school, particularly technology and installing a projector in a classroom that does not yet have one.

By supporting this effort, not only are you contributing money to school projects and events, you are also supporting local farm families and agriculture.

All order forms must be returned to the school by **Thursday November 12, 2015**. Cash payments, or cheques made payable to Minesing Central School, will be accepted. The products will be available for pick up directly at Nicholyn Farms (3088 Horseshoe Valley Rd. W) on **Wednesday December 2nd - Saturday December 5th** during their regular business hours (9am-6pm). Please make every effort to pick up your order or make arrangements for someone else to get your order for you. Any orders not picked up will be donated to a local food bank.

Families that are ordering for more than one person have found it most helpful to have a separate order form for each order to keep track of everything. If doing this, please ensure **your family name is on each form under Seller's name**. This ensures that it is easily identifiable for pick up at Nicholyn. You can print as many forms as you need from this email or the school website and there will be extra forms in the office if needed.

Thank you for your ongoing support.
