3. School Cash User Fees – Mr. Cory Van Nispen (Controller, SCDSB) present to discuss.
 - There is an annual fee based on 0.7% of usage

 - Credit card usual is an additional fee and is 1.6/1.8% of the transaction – this comes out of council fundraising money
 - The annual fee is billed Oct 1 based on last year. School advised to plan for this fee one year at a time – not hold money for multiple years for this
